

Shaped by tradition... ...Driven by progress

At Supplyforce Ltd we take pride in recruiting experienced temporary workers and tradespeople. We choose to supply to you only reliable, flexible and dedicated professionals. We ensure that all workers are able to follow your instructions with care and meet your quality standards.

Introductory rates

Our main concern is for you to be completely satisfied with the services that we provide you, and this includes our rates as well. As our workers in most cases are experienced in the work field we provide them for, they will make worth every penny that you pay. However, we are also able to give you an exclusive offer, and supply you the general type of workers, such as labourers and manual handling workers at special introductory rate. Why not give us a ring on 0844 504 9846 and find out how much we can save you on your first business with us.

Who we are

Supplyforce Ltd. is an employment business with traditional roots, that specializes in supply of experienced, well trained and reliable temporary workers. Some industries we offer our services to are the construction and agricultural.

We are conscientious, energetic and friendly team. We are professionals in supplying temporary workforce. We are determined to help you succeed in your business through bringing you the best available human resources we can recruit. With us there are no hidden charges or misleading conditions.

At a glance

The workforce. All our available workers are carefully selected through proven recruitment method, to ensure that only the most experienced and conscientious workers are supplied to you. Currently we are able to supply you with any number of workers that suit your needs. We have an ever-growing database of experienced workers at all levels and in many trades, including labourers and unskilled workers. We strive to provide only legislation compliant workers where applicable.

Our guarantee. All supplied workers have proven track of experience in the field of their work. All workers are entitled to work in the UK and have all necessary work permits, or are exempt to apply for work permits. All workers either have their own means of transport to the workplace or we arrange a transport for them, so you can rest assured they will be on time for their shifts. All workers are meticulously screened to be English-speaking, reliable, flexible, able to withstand strenuous and long-hours work shifts. All workers are also screened to be able to follow your instructions with care and meet your quality standards.

It will be our utmost pleasure to meet your needs as swift as possible.

What the others say

Supplyforce Ltd. are the best choice when you need urgently additional workers. As building contractor I have experienced unexpected increase of workload. Not being able to refuse the contract, but at the same time in need of qualified, experienced builders, just for this temporary project, puts me in a difficult position. That is why in similar situations I recommend you to call Supplyforce Ltd. They will be able to help you and post the workers you need on short notice. No need to worry about recruitment, payroll or finding the right people. Supplyforce Ltd will do all this for you, at no extra cost.
